

VStream™

Your PC
Your TV

Wirelessly

Wirelessly stream video and internet content to your HDTV in 1080P. Now you can enjoy your home computer content and stream movies from sites like Hulu®, Netflix®, Boxee®, iTunes® and YouTube® from the comfort of your own living room.

There is no need to buy bulky set top boxes that limit what you can watch. Simply connect your PC to your high definition television and watch quality digital content supporting 1080p resolution. It's your TV and your PC wirelessly! Up to 3 HD AV adapters can operate simultaneously with a single PC adapter.

Package Includes:

- Wireless USB PC Adapter
- Wireless USB HD Adapter (Device Adapter + HD Base)
- HDMI Cable
- Power Supply Unit
- Quick Start Guide
- Installation CD
