PRODUCT DIAMOND Multimedia WPCTV1080H VStream Wireless USB PC to TV at 1080P

PRODUCT DETAILED DESCRIPTION The Diamond VStream Wireless USB PC to TV HD Stream 1080p Video and Audio Streamer enables users to display their notebook/PC content, such as pictures, movies, presentations, office documents, web content and other types of data, on an HD display.

Share content with others or enjoy a larger size display without any cable limitations.

Setup:
 HD A/V base connects to TV via included HDMI cable
 HD A/V base connects to electrical outlet with external power supply
 Wireless USB adapter connects to PC/notebook.

PRODUCT FEATURES Wirelessly stream HD video and internet content to your HDTV. Now you can enjoy your home computer content and stream movies from sites like Hulu®, Netflix®, Boxee, iTunes® and YouTube from the comfort of your own living room.

There is no need to buy bulky set top boxes that limit what you can watch. Simply connect your PC to your high definition television and watch quality digital content supporting 1080p resolution. It's your TV and your PC wirelessly!
