

The Diamond Ultra 5K Dock is compatible with both Type-C and Type-A USB Laptops/Desktop PC's. Using one single USB connection from the dock to your PC, you can easily connect your PC to one 5K (5120 x 2880) @60Hz UHD display (DisplayPort Only) or two 4K (4096 x 2160) @60Hz UHD displays. The Diamond Ultra Dock provides six additional USB 3.0 ports, Fast Gigabyte Ethernet Port, separate Mic input and Audio output. Display Link Certified, DL- 6950 chip.

*Note: For 5K support you must connect both Display Port connectors to one 5K display monitor. For further information please consult your displays user manual.*
