

## Diamond USB3CDPD3H USB 3.1 Gen1 Type C to USB 3.0 Type A 3 port HUB

### Product Information

---

**Product Description:** The Diamond 3 port USB 3.1 Type C features a sleek aluminum slim design and is a perfect solution and companion your new MacBook, Chrome Pixel and any new PC using Type-C USB ports. With the ability to support power delivery (PD) it can provide power via upstream to the host and power downstream to 3 USB ports. USB hubs are backward compatible to all USB 3.0, USB 2.0 and USB 1.1 applications. Meaning you can use all your USB devices and still be able to power your Macbook or Chrome Pixel at the same time.
